

Forestry Committee Meeting Minutes 10/22/2015 @ 6 PM

In Attendance: Bob Long, Fred Garofalo, David Martella, Don Drew, Dave Long

Letters need to be drafted to Tom Harris and Harry Burgess explaining that our contracts with them are null and void because of the land dispute with the town of Haverhill.

Tom and Harry are continuing with logging operations on the lot as originally planned, however, he is now dealing with the town directly and not through Mountain Lakes District.

A recommendation to the commissioners is that the District send a letter to the Haverhill Selectboard as well as a check for the total money we have collected to date from the logging operation. A request with that letter would be that the Selectboard continue to consider bringing the land dispute to the Town Meeting in a warrant article, asking the voters to decide whether it is okay for the town to give the rightful ownership back to Mountain Lakes District.

Submitted,

Dave Long
