

## Forestry Committee Meeting Minutes

11/20/14 @ 6 PM

In Attendance: Bob Long, Chris Demers, Don Drew, Dave Long, Harry Burgess

Discussions on:

- Needing written contracts from Harry Burgess for his scope of the work to be done. Asked Harry to have this information to us by 12/1/14 so that we have time to review before the next commissioner's meeting.

- An escrow account to be set up by Harry for assurance that the landing area is left in as good or better condition than it is in before our work starts. We need photos of this area, preferably before the snow flies.

- Timeline for another cutting operation in this lot (Map 405 Lot 32) will probably be in the 10 - 15 year timeframe as long as there are no major events between now and then
