### Events

- Luau – today at 6p

  - The make-your-own hula hoop activity fell through due to cost, but Heather has a make-your-own lei craft activity.
  - Final list of volunteers
    - Ken and Laraine for set-up around 5.
    - Grete, Heather and Jessica for clean-up.
    - Plan for everyone to clean up a little bit before they leave.
- Concert at Lodge Aug 17 from 8p-11p (Heather is the organizer of this event.)
  - We have sold about 20 tickets to date. Many people are planning to buy tickets at the door. Lifeguards have been advertising on the beach.
  - We need to decide whether to open the event to Haverhill residents. This was brought up, but no decision was made.
  - The band is coming next week to look at the space. Heather is setting this up.
  - We need a volunteer list for set-up, vending, ticket collecting, and clean up.
    - We will send out an email to the district asking for volunteers outside the Recreation Committee.

- Concessions sold at the concert will be the same sold at the snack bar, so we can sell back any leftovers to the snack bar.
  - Wal-Mart has reasonable prices on these items.
- Educational Lake Clean-up Event – today (Organized by Tina Lalmond)
- Labor Day Events (Saturday, September 1)
  - Road race (around 8-9a) will be organized by Barbara Keating.
    - Race will remain on dirt roads within Mountain Lakes (start at the beach, go up the hill, turn right and go around onto Goose Lane, turn right and come out near the pool). Participants will receive a ribbon and snack/water, and top finishers will receive a small prize.
  - There will be a Potluck dinner at 6p, followed by fireworks.
  - Volunteers
    - Grete, Ken and Laraine, Beverly, Don and Barbara
  - Jessica will make flyer for this event.
- Family Campout—waiting for Commissioners’ approval.
  - Date tentatively set for Sept 15. We have the lodge reserved on this date in case of rain.
  - Francine and Grete will be organizing this event. There will be a separate working-meeting once final approval is obtained.
- Quilting with Polly—we are interested in getting this activity restarted.

#### Other Business

- Online calendar for the lodge needs to be updated. Sometimes people are using the lodge when there are no appointments in the calendar, causing confusion while planning.
- The door locks at the lodge need to be changed. They have not been changed in years and many people have copies of the key, potentially allowing them free use of the lodge.
- The locks on the stall doors in the ladies’ room at the lodge need to be repaired or replaced. Several of them do not work properly.
- The Rec Committee member list needs to be updated on the website.
- The Rec Committee meeting dates on the district office window need to be verified for the remainder of this year (some dates have changed from the original posting).
- Sub-committee for Mt. Lakes welcome packet is meeting tomorrow to brainstorm.
- *Recreation Committee meetings are now being recorded for the purpose of taking minutes. Please assume that all future meetings will be recorded.*
- Future meeting dates (set up to allow sufficient time to complete and post Rec minutes before Commissioners’ meeting):
  - Budget meeting (to make budget recommendations) August 18 @ 9a.
    - Jessica cannot attend this meeting, Heather will take minutes.
  - Sat. Sept 15 @ 9am / Wed. Oct 24 @ 7p / Sat. Nov 17 @ 9a / Wed. Dec 19 @ 7p

Minutes submitted by Jessica Godbout.
