2. Signage: Bev will contact Francine with the wording for the signage and will ask Francine for a quote.
3. Briefing of Feb. 2012 Winterfest- The Winterfest went well. Suggestions for next year: half-day schedules for volunteers, limited time for hot dogs stand to be open, include signs that highlight who made donations.
4. Remaining funds 2011 purchases update- Not everything on the recreation committee's list was able to be purchased. Any extra funds has gone to the general funds.
5. Lodge Attendant update- He is doing great! It has been a quieter year due to lack of snow, but it is going well.
6. Security Cameras: Cameras have been installed at the beach. We are now looking into cameras for the pool and lodge.
7. Update of the Emergency Phones: Beverly will look into this.

**New Business:**

1. Assembling Playground- The recreation committee recommends that the wooden house be destroyed due to safety concerns. We suggest that the playground be placed where the volleyball court is now, and we will look into future placement of the volleyball court once all work is finished. The committee discussed the need for a contractor to oversee the project so that it is done correctly, as well as volunteers to help out. It would also be beneficial to find out which parts of the playground will be able to be used and which parts are damaged/unsafe for further use.
2. Volunteer outreach event after Annual Meeting on March 17, 2012- The recreation committee will set up table with pictures from events, sign-up form for volunteers, facebook ad., and suggestions for future events.
3. Summer Program/Staffing- Beverly will forward a copy of a draft letter to Marsha.
4. Plan Summer Events-

- Summerfest- Laraine will see if Haverhill Recreation is interested in coordinating a summerfest. We would like to include either a triathlon or biathlon with the events for the day.
