4th of July Float

Since this is our 50th Anniversary, our theme is: Mtn. Lakes – a Four Season Recreation Community.

We will be using the Mtn. Lakes truck along with a trailer (dimensions 18ft x 7ft). There will be hay bales for the participants to sit on.

Bob Long will be the driver of the truck and “walkers” will be Dottie, Grete, and Ann & Robbie Foldeak.

Participants, and items, are needed. Grete has some decorations, and Laraine agreed to order some additional items. The idea is to have children show examples of various activities, such as hiking, swimming, skating, etc. Laraine offered an old-fashioned sled; Anne & Robbie offered to make a “mountain”. We plan to use the old Mtn. Lakes sign from the Lodge as a major feature. Looking for a small tent, and small wading pool.....and more ideas!

Important Dates:

Next Recreation Committee meeting is Tuesday, June 30th at 6:00.

Trailer to be delivered to the Lodge on Wednesday July 1st

Decorating party, Friday, July 3th.

More information will be forthcoming as we pull together all of the various ideas. Volunteers are encouraged to participate. We need both children and adults to make our float a success!

Meeting Adjourned at 9:30 AM

Respectfully submitted,
Laraine King
