

Recreation Committee Minutes
January 23, 2017

Attendees: Grete D'Hondt, Dottie Long, Laraine King

Meeting opened at 6:30 PM

Discussion was held regarding our February activities.

- Snowshoeing Evening – Friday, February 10th, 6-9 PM. Haverhill Rec has requested use of our trails and ice skating rink for the evening. Their volunteers will supply all necessary lighting and signage. We will have the Lodge open for hot drinks and snacks.
- WinterFest – Sunday, February 19th, 12-4. This is a joint effort between Haverhill Rec and our Rec Committee. Volunteers from both Committees will be involved along with the sharing of expenses. Some suggestions for prizes were free canoe rentals, a day pass for use of the lakes, and swim passes for the Haverhill pool.

Summer plans are in the works.

- Open for the Memorial Day Weekend – May 27th. Beaches and Snack Bar only.
- Official Opening Day will be Saturday June 24th
- July 4th – Tie-Die, Pot-luck, music
- August 5th – Luau at the pool
- September 2nd – Closing Weekend - Block Party, Fireworks

For all of the above activities, volunteers are needed. Please let the Committee know of your interest in helping with these already scheduled, or if you have another idea in mind. Perhaps a float for the 4th of July parade in Woodsville? Another themed weekend?

Some suggestions made during the meeting

- Have the boats and rafts set up for Memorial Day
- Move the Port-a-Potty higher up the hill and a bit further from the tables – perhaps an upgrade or more frequent cleaning?
- Inquire if residents have boats that they would like to donate to the District
- Have designated smoking areas at the beach and pool

Next meeting, Monday February 27th at 6:30

Meeting ended at 7:30 PM

Respectfully submitted,
Laraine King
