

Recreation Committee Meeting Minutes
February 27, 2017

Attendees: Grete D'Hondt, Dottie Long, Laraine King

Meeting opened at 6:30 PM

Discussion was held regarding a "Recreation Table" set up with samples of items we plan to sell this summer at the Snack Bar. There are six remaining sweatshirts from the December order that will be available for sale, and we will provide preliminary pricing for other items so that people can order in advance. This way we will have an idea of quantities to order.

The two events held in February – Snowshoeing and Winter Fest – were well attended. We discussed various options for next year. While the Snowshoeing event was primarily a Haverhill Recreation function with Mtn. Lakes providing the Lodge for warm-up, the Winter Fest is a combined function with both groups providing volunteers and food. This has become an anticipated winter event and the weather cooperated perfectly.

The next activity will be an "Over 21" pot-luck at the Lodge on Saturday, March 18th.

The Committee decided to move its meeting schedule to the 4th Tuesday of each month at 6:00 PM. This schedule will go into place beginning with the next meeting, March 28th.

Meeting adjourned at 7:30 PM.

Respectfully submitted,
Laraine King

Correction: The Pot-Luck originally scheduled for March 18th has been cancelled.
