

Recreation Committee Minutes  
March 24, 2018

Attendees: Cindi Berenson, Karen Rajsteter, Deb Silva, Ken King, Karen Scott, Mary Glover, Jim Silva, Joe McQueeney, Linda Johansen, Dottie Long, Susan & Rich Hearn, Darlene Simboli and Laraine King

Meeting began at 9:30 AM

The Committee has been operating for several months without a Chairperson. Cindi Berenson opened the meeting offering to become a co-Chair, sharing the position with Barbara Keating. Cindi gave a brief overview of the history of the Committee to the new attendees and had several points of input.

- Creating a Recreation calendar for the entire year so that people could see scheduled events in a timely fashion.
- Asking for volunteers to come forward with new ideas
- Consider impromptu pot-luck dinners during the summer...at the beach and/or Lodge

The plan of having a Yard Sale was discussed. Several dates were tossed around...both Spring and Fall. It would be held at the Lodge. Will be discussed further at the next meeting.

Dottie suggested that we invite the District families to come and give a hand in cleaning the beach after the Labor Day fireworks. The Committee would provide snacks.

Discussion was held regarding the trails, both the walking trails and the cross-country skiing trails. A clean-up day is to be planned in late Spring.

It was suggested that the Committee look into wagon rides for a Fall pot-luck activity. Perhaps combined with an October Fest activity.

Linda Johansen offered to host the annual Christmas decorating party at the Lodge.

A meeting schedule for the year will be developed by the co-Chairs and given to the District Office for posting.

Meeting adjourned at 10:15 AM.

Respectfully submitted,  
Laraine King
