

Mountain Lakes District Water Committee Report for February 2018

This report covers the activities during February and the monthly meeting of March 1st.

Status: Draft as of 3/8/2018 – Reviewed as of 4/4/2018

Mountain Lakes District Water Committee Meeting of 3/1/2018.

Meeting was held from 8:12 AM to 9:15 AM. Attendees: Bob Long, Don Drew, Ken King, Mark Johanson and Ed Rajsteter.

Water System Update:

Current water usage is about 27 thousand GPD. That is normal for this time of the year.

Incident Reports:

We now have 15 seasonal disconnects. There were no new water brakes.

.Water Meters:

We installed an additional home water meter..

Bear Road Project:

Don will be working on the issue of just what the water connections are in the area of Bear Road

Lower Dam and Spillway Project:

No update.

Nobis Engineering – Water Sourcing:

No update

2018 Budget

Hood Plumbing & Heating has submitted a proposal for them to take over the day to day items in the Water Department. They would also be on call and would do emergency repair working with our excavation contractor. We have also talked to D Graham Enterprises, LLC and Paige Excavating, LLC. Either of these groups can do excavation work if Horne is not available.

Upper Dam Outlet Barrel:

No update.

SCADA system:

Laviollete Controls will be here on March 9th to present their proposal for our SCADA system. We have also talked to another vendor of such systems.

New Business:

We need to insure that any future contracts we sign include a Termination clause.
