

# Mountain Lakes Water Department - 2020

## To Fix a Water Break ...

Once the general area is located, do some digging ...

... then secure a 16-inch long metal clamp tightly around the break to stop the leak!

... and find the break in the water main...

New Home  
Water  
Connection  
Summer 2020

**DID YOU KNOW?**  
Mountain Lakes has 327 homes on our water system and more new homes are coming!

## Water Chambers Riser Repair – Fall 2020

**DID YOU KNOW?**  
The MLD water system is gravity-fed; the water chambers are on Wildcat Drive for elevation!
