

Mountain Lakes District Water Committee Report for March 2017

This report covers the activities during March and the monthly meeting of April 13th.

Status: Draft as of 5/4/17 – Reviewed as of – 5/4/17

Mountain Lakes District Water Committee Meeting of 4/13/17

Meeting was held from 8:05 AM to 9:00 AM. Attendees: Bob Long, Don Drew, Ken King, Mark Johanson and Scott Clang from GSRWA.

Water System Update:

The leak on Swiftwater Circle was finally found and repaired. There were also leaks on Bear Road and Hill Top Drive that were found and repaired.

The new Soft Start system was installed in the Pump House.

For the CCR report, the main part is done but there is still a table to be sent out.

Tommy Birdsall from Stiles will come and demo some Leak Detection equipment options.

We talked about the materials needed for the Bear Road project and the need to coordinate the work with the Town.

Water Meters:

We continued our discussion on water meters for both homes and within the distribution network. The District will buy 10 home meters. People that want to try them out will be responsible for the installation costs. We will be adding a meter as part of the Bear Road project.

Master Plan Update:

Ken attended the March Master Plan Meeting. The section on Water is now complete.

Conolle property/spillway:

The sale was completed at the April Haverhill Planning Board meeting.

Lower Dam Project:

The state will be doing an inspection.

Nobis Engineering – Water Sourcing

There was no update in this area.
