

## **Mountain Lakes District Water Committee Report for May 2017**

This report covers the activities during May and the monthly meeting of June 1st.

Status: Draft as of 6/2/17 – Reviewed as of 6/6/17 - Approved as of

### **Mountain Lakes District Water Committee Meeting of 6/1/17**

Meeting was held from 8:05 AM to 8:50 AM. Attendees: Bob Long, Don Drew, Ken King, Peter Olander, Mark Johanson and Ed Rajsteter

#### **Water System Update:**

The water system is operating normally and production is about 20 thousand gallons per day.

#### **Incident Report:**

There were no incident reports in May.

#### **Water Meters:**

We will be ordering 10 water meters at \$163 each. Don stated that the installation cost should be about \$100 each. Don will verify the costs by our next meeting. These meters will be used for both homes and to monitor the flow in the distribution network.

#### **Bear Road Project:**

The C900 pipe has been ordered. Once that comes in, Don will set a schedule for this project.

#### **Master Plan:**

Mark reported that a draft of the complete Master Plan will be available at the June 27<sup>th</sup> meeting.

#### **Lower Dam Project:**

The state will be doing an inspection of both the lower dam and the spillway. Now that we have access to the spillway, we will complete some of the changes that were planned but never implemented.

**Nobis Engineering – Water Sourcing** Nobis is waiting for the state to make the decision on funding. Dan will check with Jim Vernon.

We approved the April minutes.
