

## **Mountain Lakes District Water Committee Report for March 2018**

This report covers the activities during March and the monthly meeting of April 5<sup>th</sup>.

Status: Draft as of 4/15/2018 – Reviewed as of 4/26/2018

### **Mountain Lakes District Water Committee Meeting of 4/5/2018.**

Meeting was held from 7:58 AM to 9:35 AM. Attendees: Bob Long, Don Drew, Ken King, and Ed Rajsteter. Ron Gehl from EOS Research joined us to present his SCADA proposal.

### **Water System Update:**

Current water usage is about 20,000 GPD. That is normal for this time of the year.

### **Incident Reports:**

None

### **.Water Meters:**

One additional meter was installed on Lakeside drive.

### **Bear Road Project:**

Don has been working with Horne to understand the water connections on Kearsarge

### **Lower Dam and Spillway Project:**

No update.

### **Nobis Engineering – Water Sourcing:**

We will be meeting with Nobis on 4/26

### **Lower Dam Outlet Barrel:**

No update.

### **SCADA system:**

Ron Gehl presented the proposal from EOS Research. This is a very complete system but on a smaller scale than our first proposal. After Ron left, we discussed this system and approved going with EOS for our SCADA system. Bob will follow up.

### **New Business:**

### **Water Maintenance:**

We reviewed the Hood Plumbing & Heating agreement prepared by Bob. We approved going with them for our water maintenance. Bob will work with our lawyer to complete the agreement.

We talked about the standby power system for our pump house. Don will get two more quotes.
