

Forestry Committee Meeting Minutes 8/28/2013 @ 6 PM

In Attendance: Chris Demers, Dan Brady, Terry Haberman, Roger Warren, Fred Garofalo, David Martella, Dave Long

Discussed possible funding sources for a forestry management plan.

The Oliverian School has a private forester that they are working with and we are hoping to reach out to them to help provide some direction.

There is a Environmental Quality Incentive Program that pays for forestry management plans so that is an avenue to look at also.

Discussed the site visit report that David Falkenham, the County Forester, provided from his walk through of some of the Mountain Lakes properties on July 22, 2013.

Decided to eliminate the fact that wild fire safety is a concern that we are addressing with the forestry management plan at the recommendation of David Falkenham.

Next meeting not set yet as we are hoping to have a guest from the Oliverian School at our next meeting and are waiting to hear about a good time for them.

Submitted,

Dave Long
