

Forestry Committee Meeting Minutes 8/28/2014 @ 6 PM

In Attendance: Chris Demers, Dan Brady, Fred Garofalo, David Martel, Don Drew, Jessica Brusseau, Dave Long and guest Harry Burgess (licensed forester and surveyor)

Welcomed and thanked Harry Burgess to our meeting.

Harry presented his findings on recent survey work that he has done on what we thought was Map 203 Lot 301. He found that this land is actually deeded to an abutting property owner. The correct map has now been drawn up and will be submitted to the town.

Harry has walked a good portion of the other lot that we agreed to start with for our forestry management plan. Map 405 Lot 34 (power line lot). He believes there is a lot of good, valuable timber that would do well with a selective cut timber harvest.

Discussion on possible access points and landing spots for potential loggers.

Scheduled a walk of the lot for Monday, September 8 at 7 a.m. with Harry and anybody that is interested.

Next meeting scheduled for 9/25/14 @ 6 p.m.

Submitted by,

Dave Long
