

RECREATION COMMITTEE MEETING
June 10, 2020 Via ZOOM Video Conferencing

Present: Barbara Keating, Marcia Selent, Mike and Pauline Bonanno, Bob and Dottie Long, Karen Rajsteter, Karen Cox, Linda Johanson

The meeting began at 4:15PM with Bob Long reading the state checklist to ensure compliance with the Right-to-Know law.

May minutes were approved by unanimous roll call vote.

Bob Long provided an update on District closures from the commissioners meeting on June 8. The tennis courts will open with Covid19 guidelines for safety/social distancing. There will be the same key system as in the past. A maximum of 8 people on the court, with hand sanitizer and wipes provided. The basketball, pool and playground will not be open at this time. Tables will not be out, but remain in the volleyball area. Beach passes will be available after June 27. 2 port-a-potties will be placed near the District office and 1 will be placed near the Lodge. 2 employees will be hired to supervise beach passes and maintain the beach. Don Drew will hire 2 additional employees to help with overall maintenance. Sports equipment will not be provided. All residents are encouraged to carry in, carry out trash and to practice social distancing. Hopefully, more recreation places and activities will be open after the governor's orders on June 15.

Remaining positive, Mike Bonanno was asked to book the band and the caterer for September 5, Labor Day Festivities, music and pig roast at the Lodge.

Linda Johanson was voted Recreation Committee chairperson for 2020.

The meeting ended at 4:50PM. The next meeting is Friday, July 10 at 2:00PM.

Respectfully submitted,
Linda Johanson
