

**MOUNTAIN LAKES DISTRICT
RECREATION COMMITTEE MEETING
At the District Office and via Zoom Video Conferencing
June 7, 2023**

Present In-Person: Karen Cox, Karen Rajsteter, Bob Long, Dottie Long, Courtney Lantz and Linda Johanson Present Via Zoom – Barbara Keating

Our meeting began at 4:04. April's minutes were approved.

In May we spent \$113 on the Fishing Derby. 17 people participated (adults and children) with extra items for another derby.

We served around 75 people at the Pancake Breakfast for a profit of \$300.00.

Opening Day is June 24. The Chili Bake-Off is postponed until a later date.

New purchases have been made: 6 new umbrellas with insurance (\$443) and 2 corn hole sets (\$89.98).

Barbara Keating will be teaching Pickleball to adults and children at the tennis court Friday mornings from 10-11am. Wednesday evening will be game night at the District Office beginning at 6:00pm.

Our pool company will get the pool up and running beginning June 12. We expect it will be ready for swimmers opening day. Right now, we have 4 workers, but Bob has more people who recently applied and will be conducting more interviews. We are hopeful that we can have extended pool hours for some days again this year.

July 2 is ice cream day at 3:00 at the District Office. Come for a cool treat and to meet your neighbors.

Our next Recreation meeting is August 2 at 4pm at the District Office. Our meeting was adjourned at 4:35.

Respectfully submitted,
Linda Johanson
