

**MOUNTAIN LAKES DISTRICT  
RECREATION COMMITTEE MEETING  
At the District Office and via Zoom Video Conferencing  
September 6, 2023**

Roll Call:

In Person: Linda Johanson, Karen Cox, Karen Rajsteter, Barbara Keating, Dottie Long, and ex-officio Bob Long.

Via Zoom: NONE

The meeting began at 4:02pm. Karen Rajsteter moved to approve the minutes from August 2; Linda Johanson seconded and the motion passed.

Dottie Long reported that the Snack Bar made a profit of \$1,240. The logo sales profit, which are ongoing, made \$1,030 and the boat rentals made \$940.

Bob Long led the discussion concerning the summer activities. Concerns about extending pool hours need to be addressed before the next budget, 2024. Also resurfacing the tennis courts, buying more kayaks or paddle boards should be added to the next budget and presented to the commissioners for approval. Other items from the Recreation Committee should be presented to the commissioners for their November meeting. In other words, any requests that require more capital need to be approved by the commissioners.

The committee discussed this summer's events and which could be added to next year's calendar. We also discussed suspending committee members who have not attended meetings or helped with events in the past 6 months. We are reaching out to the community for people who will join the committee or take charge of an event, such as water aerobics or pickleball. We are looking for a chairperson for a pig roast.

Please read the Mountain Lakes DMAIL to get accurate information on what is really happening in our district.

Lori Brissette is interested in becoming a committee member and will be recommended at the next commissioner's meeting, Tuesday, September 12.

We have an Action Items list for October events, which is separate from the minutes.

The meeting was adjourned at 4:58pm. The next meeting is Wednesday, October 4, at 4:00pm at the District Office and via Zoom.

Respectfully submitted,  
Linda Johanson
